

*Vienna, Austria*

Annual Congress of the  
European Association of Nuclear Medicine  
October 21 –25, 2017  
Vienna, Austria

**Do.MoRe: Committee Symposium**  
**Monday, October 23, 14:30-16:00**

**Session Title**

**Validation of Quantitative Imaging, Dosimetry & Estimates of Uncertainty**

**Chairs**

Jonathan Gear (London)

Frederik Verburg (Marburg)

**Programme**

- 14:30 - 14:50 Frederik Verburg (Marburg): The Need for Dosimetry Validation - A Clinician's View Point
- 14:50 - 15:10 Johan Ruben Gustafsson (Lund): The Use of Monte Carlo for Validation and Uncertainty Analysis
- 15:10 - 15:30 Jonathan Gear (London): Propagation of Uncertainty Analysis for Absorbed Dose Calculations
- 15:30 - 15:50 Andrew Robinson (Teddington): Validation of Calibration Protocols and the MRTDosimetry Project
- 15:50 - 16:00 General Discussion
