

Vienna, Austria

Annual Congress of the
European Association of Nuclear Medicine

October 21 –25, 2017
Vienna, Austria

M2M Track: Joint Symposium 15 (EANM/ESMI)

Tuesday, October 24, 16:30-18:00

Session Title

Best of European Molecular Imaging Meeting - EMIM 2017

Chairs

Laura Evangelista (Padova)

Tony Lahoutte (ESMI, Brussels)

Programme

- 16:30 - 17:00 Anikitos Garofalakis (Paris): Simultaneous Imaging of Tumor Metabolism and Vascularity during Tumor Growth with a Hybrid Positron Emission Tomography (PET) / Ultrafast Sonography (US) System
- 17:00 - 17:30 Frederik Cleeren (Leuven): Al18F-Labeling of Heat-Sensitive Biomolecules for Positron Emission Tomography Imaging
- 17:30 - 18:00 Wissam Beaino (Amsterdam): Purinergic Receptor P2Y12: A Potential Target for PET Imaging of Neuroinflammation in Multiple Sclerosis and EAE

The European Molecular Imaging Meeting is the annual meeting of the European Society for Molecular Imaging. The ESMI is pleased to delegate three of its best junior scientists to Vienna – we hope you like it!
